

Fixed Restoration Turnaround Times

Please use this quick reference sheet, in addition to our turnaround calendars that we provide monthly, for our crown and bridge restorations. We know how important it is that you receive your restorations on time, and it is our commitment to make sure you can count on us to make this happen.

If you need any additional turnaround times, please call the lab and speak to our production coordination team.

(919) 403-0604

***As always, we know rush cases do happen and will gladly arrange these deliveries by phone.*
